FOR IMMEDIATE RELEASE

EPLF POLITBURO APPOINTS A NEGOTIATING TEAM

THE EPLF POLITICAL BUREAU HELD ITS SIXTH MEETING FROM JULY 24-25, 1989.

IN THE SESSION, THE POLITBURO REVIEWED AND WELCOMED THE VARIOUS PEACE INITIATIVES BY CONCERNED INTERNATIONAL BODIES AND REAFFIRMED ITS COMMITMENT TO DO ALL WITHIN ITS MEANS TO CONTRIBUTE TO THEIR SUCCESS.

AT THE SAME TIME, THE POLITBURO NOTED THAT THE ADDIS ABABA REGIME WAS STILL AMBIGUOUS IN ITS STANCE, BACKTRACKING ON ITS ACCEPTANCE OF THE REQUIREMENTS FOR THE START OF PEACEFUL NEGOTIATIONS. DESPITE THIS APPARENT LACK OF SERIOUS COMMITMENT TO PEACE ON THE PART OF ADDIS ABABA, THE EPLF ANNOUNCED ITS READINESS TO ENTER INTO NEGOTIATIONS THAT ARE WITHOUT PRECONDITIONS, OPEN, AND IN THE PRESENCE OF THIRD PARTIES. MOREOVER, THE POLITBURO APPOINTED A NEGOTIATING COMMITTEE AS A PRACTICAL STEP TO PROMOTE THESE AIMS.

PRESS RELEASE

FOR IMMEDIATE RELEASE

EPLF Statement on the Military Move in Ethiopia

The Eritrean People's Liberation Front fully supports the ongoing army movement for a change of regime in Ethiopia. It recognizes the movement for change as a path that can bring about peace to the region.

The EPLF further points out that news reports about the situation broadcast by radio Addis Abeba are false. The bulk of the army is behind the forces for change and those resisting the effort are a minority backing the Mengistu regime. The EPLF advises concerned parties to monitor radio Asmara for a true account of the state of affairs and for future developments. It must also be recalled that the largest portion of the Ethiopian army are deployed in Eritrea.

The EPLF finally states that peace can only be realized with the fall of the regime.
